(v) Granard Municipal District Meeting held on 27 October 2026 - enclosed

2. Matters arising from Minutes.

3. Declaration of Interest by Members

4. Management Report incorporating Area Engineer's Progress Report

5. Community Grants

6. Notice of Motions

Councillor Colin Dalton

(i) I call on Longford County Council to include Ballinale , Esker at Council yard Ennybegs in the new Bus shelters plan.

(ii) I call on Longford County Council for urgent maintenance works to be carried out on Ciaran hill walkway as it's over growing.

Councillor David Cassidy

(i) I call upon Longford County Council to seek funding to carry out necessary works on the R198 in the townland of Townagh, Ballinamuck, at the bend between the L-5058-0 Shanmullagh Road and the L-50581-0 Townagh Bog Pass Road.
The works should include appropriate measures to prevent land and road slippage, address any cracking of the road surface, and improve sightlines and overall road safety at this location.
I further call on the Council to explore funding for these works through the Climate Adaptation grants or any other appropriate funding stream available.

(ii) I call on Longford County Council to investigate and carry out a structural inspection of the bridge located in the townland of Kiltycreevagh, between the 98 Bar in Ballinamuck and Nailor's Cross, on the Longford–Leitrim county boundary.
I request that any necessary maintenance, structural improvements or remedial works be considered for inclusion in the Council's 2027 Works Programme.
These works should aim to improve the structural integrity of the bridge, if necessary, enhance its overall appearance, address any drainage & vegetation issues and improve sightlines for motorists approaching from both sides, in the interest of road safety.

(iii) I call upon Longford County Council, on behalf of Fr. Manning Gaels GAA Club, St. Vincent's Minor Club and St. Helen's Ladies GAA Club, to install rumble strips on both approaches to Monaduff Park on the R198 and public lighting in the vicinity of the entrance and adjoining location where pedestrians cross the road.
The grounds are used almost every evening, and pedestrians must cross the R198 here to continue along the walkway. These measures would improve

visibility, alert approaching motorists and enhance safety for players, families, walkway users and all road users.

<u>Councillor Padraig McNamara</u>
I call on Longford County Council to carry out an assessment of the current condition of the playground in Higginstown, Granard and arrange for the necessary maintenance and improvement works to be carried out to ensure the playground is safe and suitable for use by children and families in the area.

7. Granard Bypass Route Selection Public Consultation

8. TU Dublin Model of Granard Main Street

9. Correspondence from Uisce Eireann
