6. Notice of Motions

Councillor Niall Gannon

I call on Longford County Council to provide an update on progress towards delivering a car park to serve the autism-friendly playground on Park Road, including the proposed location, funding position and expected timeframe, and ensure that safe, accessible parking for children and their families from all over the county is prioritised.

Councillor Martin Monaghan

(i) I call on Longford County Councils roads department to look at implementing a low cost safety scheme at Creenagh on the R198. This part of the road has poor sight lines from the properties on the road and is also on a continuous white line.

(ii) I call on Longford County Council roads department to examine the possibility of installing a footpath connecting the village of Clondra with the village of Tarmonbarry, on the back of funding received earlier this month to create a greenway between the two villages. This would be a welcome addition to the area.

Councillor Kevin Hussey & Councillor Martin Monaghan

I call on Longford County Council, through its Active Travel Department, to engage with the National Transport Authority (NTA), Bus Éireann and relevant public transport operators to examine and progress the provision of a designated bus stop in Clondra village.

We further request that a suitable and safe location be identified, with appropriate signage and consideration given to the installation of a bus shelter where feasible, to improve public transport accessibility for the residents of Clondra and the surrounding areas."

Councillor Seamus Butler

I call on Longford County Council, In light of recent developments in Longford Town, the members of Longford Municipal District request that the Garda Commissioner makes all the resources necessary to stamp out illegal businesses being operated as drug dealers and any other illegal activities by tasking CAB and the Armed Response Units to cleanse the Town of these pernicious operations. Furthermore, we call for the Revenue Commissioners to inspect these businesses in Longford Town and ensure the necessary resources to apply the same statuary obligations as the vast majority of compliant business. This should also include any professional agents acting on their behalf.
